The students in my remedial Algebra class weren't the brightest bulbs in the box. Factor in all the dope they were smoking and—well, it was a miracle they could even write their own names.

Of course, I was used to teaching the dipshits and doofuses. As a lowly adjunct instructor, I was assigned the classes nobody else wanted to teach, the classes my fulltime colleagues wouldn't have touched with a ten-foot pole. Lucky bastards. They had plum jobs, for sure. Retirement. Health insurance. Paid medical and personal leave. They taught upper-level courses full of smart, highly motivated students.

Meanwhile, I juggled two jobs—teacher and night watchman—to make ends meet. My schedule was full. Too full. But I had to work both gigs to make my rent. At least until the head of the math department offered me a full-time position. I wasn't holding my breath, not by a longshot.

Now, marker in hand, I stood at the dry-erase board working an equation. "Algebra is easy," I explained to my class, "once you learn the rules."

I finished the equation and turned to face my students. More than half of them were asleep, their heads resting on their desks. The others were stoned

Joni has a spectacular butt

High Class Ass

out of their skulls. Glassy, bloodshot eyes. Stupid grins. Hell, I could smell it on them.

Mine was a lost cause. These morons didn't want to learn. They wanted to get high and coast through life exerting as little effort as possible.

"Class dismissed," I said, shaking my head in disgust.

This wasn't the first time that I had dismissed my students early, nor would it be the last. It was becoming increasingly difficult to justify a full hour of instruction when I might as well have been talking to a brick wall.

My students cleared out, even the sleepy heads who miraculously woke up to join the mass exodus. Moments later, I grabbed my briefcase and started to leave when I noticed a straggler

in the back row. Joni Jett, I realized. As usual, she was sound asleep. I thought about leaving her there but decided against this as I didn't want her to be late for her next class.

"Wake up, Joni," I said from the front of the room.

When that didn't work I walked to the back row and, towering over her slumbering form, tapped her gently on the shoulder. "Get up, Joni. Class is over. It's time to go . . ."

She stirred and groaned, regarding me with a face reddened from contact with her desk.

"The math party is over," I told her. "You don't have to go home, but you can't stay here."

"Sorry, Mr. Snyder," she apologized. "I didn't mean to fall asleep in your class."

"Am I that boring?" I asked her.

"Oh no. Not at all. It's just that—well, I haven't been getting much sleep lately."

"Join the club," I remarked dryly.

Then I told her all about my second job working as a nightwatchman.

Her face lit up. "I work nights, too." "Where at?"

"I clean offices," she said, naming a few of the places; one of these was the same location that I guarded three nights a week.

Small world, I thought before telling her that we worked at the very same building.

"No way," she said. "That's crazy."

"Who knew?"

"I've never seen you there."

"I'm outside most of the time, patrolling the grounds and whatnot."

Joni gathered her books. "You working tonight?"

"I am."

"Me too."

She smiled and left me standing there beside her empty desk. My gaze was drawn to her ass as she exited the classroom. Joni had a spectacular butt; her cutoff denim shorts accentuated its perfect apple shape. Her hips swayed seductively as she walked, filling my dirty mind with all kinds of naughty thoughts.

Joni stopped at the door and glanced at me over her shoulder, smiling coyly for a second or two before vanishing into the hall.

"Damn," I muttered, my heart racing as I imagined bending Joni over my desk and pounding her tight little eighteen-year-old pussy.

No sooner had the thought bloomed in my mind than I hastened to the men's room, locked myself inside a stall, and rubbed one out. My cock exploded in my hand, spattering

the stall door with lots of jizz . . .

I taught two more classes that day before returning to my apartment where I squeezed in a quick afternoon nap on the couch. I had a dream about Joni, a fantastic dream in which I fucked her in the faculty lounge. She lay atop the table, coltish legs spread, knees raised, screaming my name again and again as I thrust repeatedly, plunging my cock into her teen cunt.

It was the most vivid dream I had ever had in my life, and it stayed with me as I drove to the office building during the five o'clock rush. I was jealous of all the people calling it quits for the day. I wanted to be one of them. Working nights was the worst, especially when you worked or went to school all day. I was sure that Joni felt the same way. Maybe we could cheer each other up. I certainly hoped so . . .

Being a nightwatchman is a lonely gig, lonely and awfully boring. I patrolled the grounds for two hours before Joni came outside to find me.

"There you are," she said. "I've been looking all over for you."

"Everything okay?"

"Yeah," she said, sitting on the steps and lighting a cigarette.

Joni hadn't changed clothes since this morning. I felt self-conscious standing there in my dorky security

guard uniform. The things we do for money, I thought.

"I'm sorry," Joni said. "Did you want a cigarette?"

"No thanks."

"I should quit," she remarked.

"Why don't you?"

"Stress."

"I hear you."

"Now is definitely not a good time to kick the habit. I've got way too much going on."

"Yeah."

"School, work, life . . ."

She sucked on her cigarette contemplatively. Joni was failing my class. As her teacher, I wanted to address the issue right then and there. Did she need extra help? Was she suffering from math anxiety?

I didn't ask her any of these questions. I did, however, look at her curiously when she produced a joint from her cigarette pack and fired it up. I had been a daily pot smoker in college, but that was three years ago. Still, I had fond memories of my carefree stoner years; so fond, in fact, that I accepted the spliff when Joni passed it my way. Why not? Being high would certainly make my shift more interesting.

We passed the joint back and forth until it was little more than a roach. I was higher than giraffe pussy when

Joni got up to go back inside.

"Thanks for the smoke," I said.

"Sure thing, Mr. Snyder."

She started to leave, then stopped in her tracks and turned around to face me. "If you feel like you're going to die of boredom," she said, "feel free to take a break and join me. I'll be here all night."

"Thanks, Joni. I just might do that."

"I hope so," she remarked coyly.

I patrolled the perimeter for a good half-hour before the allure of my sexy student became too much to ignore. She had flirted with me before returning to work. The ball, so to speak, was in my court. And Joni had put it there. The next move was mine . . .

I found her on the third floor. She was emptying waste baskets into a large trash bin on wheels. Shit job, I thought. But Joni didn't appear to be feeling any pain. No doubt the joint had a lot to do with this.

She was flying high. And I was too. Pot always made me horny. Thankfully, it had the same effect on Joni. She dropped the coy act and we got down to business.

Standing beside one of many cluttered desks in the spacious office, my pants around my ankles, I delighted

in my student's oral skills. Joni didn't know the first thing about Algebra, but she gave great head. This little stoner slut had a serious case of the munchies, and my cock was her preferred snack. She polished my pole with expert skill. By the time she came up for a breather I was harder than granite, my cock a rigid baton in desperate need of her pussy.

Joni rose from her kneeling position and sat atop the messy desk. She extended her legs, allowing me to peel her cutoff shorts and panties, which I tossed on the carpeted floor seconds before she added her blouse and bra to the pile. She had smallish tits, miniature half melons with dark conical nipples. I bent forward, sucked one, then the other. She moaned and wrapped her arms around my head, pressing my face to her perky little peaks. I nibbled on her turgid tit toppers until she begged me to fuck her.

Having spread her slender thighs, she lay atop the desk and raised her knobby knees. I rammed it home, plunging my prick into her tight cunt. She cried out loudly when I entered her, turning her head to the side and biting her lower lip.

"Oh yeah, Mr. Snyder! Fuck me!"

Joni never said a word in class, but she was very vocal as I banged her, spewing a colorful assortment of filthy banter which prompted me to double my efforts. I drove my hips harder, faster, pounding her finally legal snatch with everything I had.

It was enough to make Joni come.

I wasn't quite there yet, so I pulled out and proffered my prick for her mouth. Once again, Joni knelt before me and gobbled my cock. She loved the taste of her pussy on me; I could tell by the urgent manner in which she devoured my throbbing dick.

Joni made me pop off in a big way, taking my entire load in the face. It wasn't until we had gotten dressed and she reached for a box of tissues on the desk that I noticed the framed photograph of a young couple.

"That's you, Joni!" I stated the obvious.

"Yeah," she said, wiping the cum from her face, "and that guy is my husband."

I gawked at her. "You're married?"

"Sure am."

"This is your husband's desk?"

"You're pretty smart, Mr. Snyder."

Unfortunately, I couldn't say the same thing about Joni. She was the dumbest student in my class!

BLAIR-NTS-09

"I was thinking a raise might be in order," I suggested, my hand coming to rest on his chest... A slow smirk spread across his face, his hand coming up to cover mine.

Negotiating a Pay Raise

As I put the finishing touches on dinner, I couldn't help but feel a twinge of nervousness in my stomach. Tonight, we were hosting my husband's boss, Richard, and his wife Lisa for a special dinner. I had been hinting to Martin for weeks that he should ask for a raise. With the long hours he put in at the office and the stellar results he consistently delivered, he deserved it! But he was hesitant to bring it up at work. Determined to take matters into my own hands, I had invited the couple over and planned to broach the subject myself. I wanted to do whatever it took to secure Martin's future at the company.

The evening started off pleasantly enough, with lively conversation and plenty of laughter. Lisa and I chatted about our book club, while our husbands talked about work. As the night drew to a close, I found myself alone with Richard in the kitchen. I turned to him with a smile. "Richard, I was hoping to discuss something with you," I began, topping up our wine. Richard took the glass from my hand, fingers brushing against mine.

"Oh? And what might that be?" he asked. I took a sip of the drink, steeling my nerves.

"It's about Martin's future at the company. He works so hard and always delivers exceptional results. I just think he deserves to be recognized and rewarded for his ded-

ication." Richard listened intently, his gaze fixed on me. The heat of his stare made my skin prickle.

"Go on," he urged. I stepped closer, looking up through my lashes.

"I was thinking a raise might be in order," I suggested, my hand coming to rest on his chest. I felt the firm muscle beneath his shirt and the heat of his skin seeping through the fabric. Richard's eyes widened. A slow smirk spread across his face, his hand coming up to cover mine.

"Is that so?" he murmured, his thumb swiping over my knuckles. "And why should I give Martin the raise over any one of my other hardworking employees?" I licked my lips, heart pounding as I looked up at him.

"Because I'm willing to do whatever it takes." My other hand came to rest on his belt buckle. I could feel his hard length of him already starting to grow, and I knew I had him. Slowly, I sank to my knees before him, my fingers working to undo his belt and take it off. Richard groaned as I tugged his slacks down to reveal his erection. I wrapped a hand around the base, admiring the size before leaning in to press a kiss to the swollen head.

"Fuck," Richard grunted, his fingers tangling in my hair as I took him into my mouth. I swirled my tongue around the tip, inhaling the woodsy scent of his

cologne. I only managed a few strokes of my hand before I felt him start to twitch. I sank down as far as I could take him and bobbed my head, careful not to gag in case the sound travelled to the others. I gasped, pulling off of him. He was longer than Martin, and thicker too.

Richard fisted a hand into my hair and guided me back. I opened my mouth, tongue out as I took his cock down my throat. A couple shallow thrusts, and Richard erupted. Shaft throbbing as he unleashed thick ropes of cum across my face and into my hair. It dripped down my chin, and I caught it before it could stain my dress. I sat back on my heels, panting and licking the mess off my fingers. Richard tucked himself away, looking down at me with a smug smile.

"I'll see what I can do about that raise," he said, giving my head a pat as he passed by. I nodded, hurrying to the bathroom to clean myself up. I could hear the others in the dining room, their voices muffled through the door. I looked like a whore covered in another man's cum. Washing the evidence down the drain, I reminded myself what it was all for. It was for his future. Our future. And I shouldn't feel guilty for that. Rejoining the group, I kept my head down, hoping the red on my cheeks wasn't too obvious. I caught Martin's eye and smiled, sitting next to him as a good wife should.

FRANCHEZCA VALENTINA

When he knocks on Franchezca's front door, Sascha gets more than he bargained for. She answers the door in her skimpy, but very cute, bra and panty set. After composing himself, he asks if she's seen his dog running around the area. She says she hasn't, but she'd be happy to help him look. He agrees, but she says she'll go only if he does her a favor first. He agrees again and she leads him to the big sofa in the living room.

I've been getting more action since becoming a blonde. I felt a bit geeky as a brunette, especially when I wore my large-framed glasses. Yuck! Then, when I went to college, I got some contacts and turned blonde. I'm now getting laid more often, and I have my bloneness to thank for it.
